25X1 36. [] LIAISON Per his earlier request, I mailed the Agency publication entitled "International and Transnational Terrorism: Diagnosis and Prognosis" to Hugh Ward, on the staff of the House Administration Committee.

25X1 37. [] EMPLOYMENT REQUEST Per the earlier request of Representative Dan Daniel's (D., Va.) office, I sent to their constituent, [] an Agency 25X1 brochure and application form for employment.

25X1 38. [] LEGISLATION Talked to Jim Stimpson, OMB, about H.R. 2177, the Social Security Amendments of 1977, and about the practicality of sending a letter to Chairman Harley Staggers (D., W. Va.), House Interstate and Foreign Commerce Committee. The letter would explain why we were not commenting on H.R. 2177. He said this procedure would be fine with OMB, but we should first check with the Committee to see if they still wanted our letter.

25X1 39. [] LEGISLATION Called Harold Painter, on the staff of the House Interstate and Foreign Commerce Committee, regarding their request for our views on H.R. 2177, the Social Security Amendments of 1977. He said they would no longer need a views letter from us. He said if I had any problems to call him back.

25X1 40. [] LEGISLATION As a result of the Office of Personnel's and Office of General Counsel's insistence that we submit death gratuity as a separate piece of legislation, I called Keith Raffel, on the staff of the Senate Select Committee on Intelligence, to ask him whether the Committee would object to this course of action. He said that a general consensus was that we should not submit death gratuity legislation separately. The Committee will include this benefit in their draft charter legislation.
